Tests conducted by Goodyear in Thailand. For sizes 185/65R14 and 205/55R16, average performance of the new Assurance DuraPlus 2 is projected to achieve 110,000km on good quality bitumen roads (size 155/80R13 is expected to achieve 99,000km). Actual mileage may vary due to type of terrain, quality of roads, vehicle, tire pressure and maintenance, climate, driving styles, usage patterns, etc.

ASSURANCE DURAPLUS 2

EXTENSIVE MILEAGE PERFORMANCE WITH DURABILITY PERFORMANCE

Assurance Duraplus 2 dirancang dengan *TredLife Technology* untuk mencapai jarak tempuh yang lebih jauh. Desain *sidewall* yang berdaya tahan tinggi dirancang khusus untuk mampu meredam benturan pada dinding ban, dan pada saat melewati jalan berlubang.

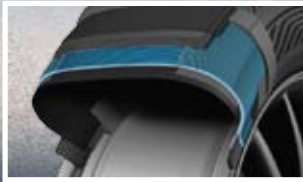

EVERY METER COUNTS

MILEAGE PERFORMANCE

Telapak berpola *symmetrical* didesain untuk menghindari keausan yang tidak merata. Mengandung lebih banyak *carbon black* serta *additive* lain untuk peningkatan daya tahan agar mencapai jarak tempuh yang lebih jauh.

DURABILITY PERFORMANCE

Konstruksi *ply* ganda membuat dinding ban lebih tahan benturan, dan lebih kuat saat melewati jalan berlubang.

QUIET PERFORMANCE

Tambahan lapisan karet diantara *ply* dan *liner* membuat suara putaran ban lebih teredam.
