# CURRICULUM VITAE

Nama / Name : **Ramon Le (Le, Yi)**
Usia / Age : **52**
Kewarganegaraan / Citizenship : **Tiongkok / China**

## PENDIDIKAN

Beliau meraih gelar Master of Business Administration (MBA) dari China Europe International Business School (CEIBS) pada 2005 serta gelar sarjana di bidang Teknik Termal dari Shanghai Jiao Tong University pada 1996.

## EDUCATION

He earned a Master of Business Administration (MBA) from China Europe International Business School (CEIBS) in 2005 and a bachelor's degree in Thermal Engineering from Shanghai Jiao Tong University in 1996.

## KARIR

Beliau bergabung dengan Goodyear pada November 2009 sebagai Production Manager di Pabrik Dalian, Tiongkok. Selanjutnya, beliau dipercaya menduduki sejumlah posisi kepemimpinan, termasuk Acting Manufacturing Director di Dalian (2010), Asia Pacific Plant Optimization Leader (2012), Manufacturing Director di Aurangabad, India (2015), Malaysia (2018), dan Pulandian, Tiongkok (2021), serta Director, Asia Pacific Manufacturing Operations (2017 dan 2019).

Beliau kemudian menjabat sebagai Director, Asia Pacific Manufacturing Process Optimization (2023) dan Director, Goodyear Production System, Asia Pacific (2025). Sejak Maret 2026, beliau menjabat sebagai Vice President (Interim), Manufacturing, Asia Pacific, dengan tanggung jawab atas tujuh pabrik dan fungsi manufaktur regional. Sebelum bergabung dengan Goodyear, beliau berkarier di Honeywell.

## CAREER

He joined Goodyear in November 2009 as Production Manager at the Dalian Plant, China. He subsequently held several leadership positions, including Acting Manufacturing Director in Dalian (2010), Asia Pacific Plant Optimization Leader (2012), Manufacturing Director in Aurangabad, India (2015), Malaysia (2018), and Pulandian, China (2021), as well as Director, Asia Pacific Manufacturing Operations (2017 and 2019).

He later served as Director, Asia Pacific Manufacturing Process Optimization (2023) and Director, Goodyear Production System, Asia Pacific (2025). Since March 2026, he has served as Vice President (Interim), Manufacturing, Asia Pacific, overseeing seven plants and regional manufacturing functions. Before joining Goodyear, he held management roles at Honeywell.

## PENGHARGAAN

Pada 2023, pabrik Goodyear yang dipimpinnya menjadi pabrik pertama di grup Goodyear yang terpilih sebagai finalis penghargaan global Manufacturing Leadership Council.

## AWARD

In 2023, the Goodyear plant under his leadership became the first within Goodyear to be named a finalist for a global Manufacturing Leadership Council award.
